

DREIBOLT™

RENEWABLE DEHUMIDIFIER

Dreibolt™ Renewable Dehumidifier bags are designed to absorb moisture and odors in your home, RV, gun safe, auto, self storage space and more! The blue indicator dot turns pink indicating the bag is ready to renew. You simply place inside your microwave for the suggested amount of time (see instructions). The indicator dot will change from pink to blue. It's ready to use again! No microwave oven available? No problem! Simply place it in the sun for approximately 90 minutes until indicator dot changes from pink to blue (the amount of time may vary).

DREIBOLT DEHUMIDIFIER COVERAGE CHART*

5x5 ft = 1 bag	10x15 = 5 bags
5x10 ft = 2 bags	10x20 = 6 bags
5x15 ft = 3 bags	10 x 25 = 7 bags
10x10 ft = 4 bags	10 x 30 = 8 bags
